A choice of holiday can sometimes be limited because of insufficient facilities on location. Taking your own bed with you can give you peace of mind knowing a safe and comfortable nights sleep will be achieved.

This robust bed is easy to fold with its double scissor action frame. It has a blue epoxy coating and is fitted with plastic feet blue epoxy coating and plastic feet.

The semi-transparent sides can be unzipped on one side to provide easy access. The zippers are situated underneath the outside of the bed to prevent unzipping from the inside.

Optional window in short side
